Telecommunications Services Within)
the State of Illinois)

PETITION

CityNet Telecom, Inc. ("CityNet" or "Petitioner"), by its attorneys, respectfully surrenders its Certificate to Provide Facilities-Based and Resold Interexchange Telecommunications Services within the State of Illinois. The Commission granted this authority in conjunction with authority for CityNet to provide Facilities-Based and Resold Local Exchange Telecommunications Services in Docket Number 01-0121 on April 11, 2001.

CityNet has recently reviewed its marketing and business plans and has determined that the certification is not necessary for its operations, and would add an additional regulatory burden onto the Commission. Accordingly, CityNet respectfully requests cancellation of its interexchange certificate only. Petitioner still intends to offer data-only facilities-based and resold local exchange telecommunications services.

WHEREFORE, CITYNET TELECOM, INC. requests that the Illinois Commerce Commission accept the surrender of CityNet's Certificate to Provide Resold and Facilities-Based Interexchange Telecommunications Services within the State of Illinois.

Respectfully submitted,
